

HU-HU31010

Hybrid multimeter

This product can be found under the following link

<https://www.serenco.nl/en/hybrid-multimeter.html>

Product name Hybrid multimeter

Art HU-HU31010

Gross weight 1.115000 kg

Price 236.000000

EAN code 5410048415325

More Info

Specially designed for hybrid cars, as well as all other automotive applications. Functions:

- Volts AC/DC
- Current AC/DC
- Resistance RPM
- Frequency
- Dwell angle
- Duty cycle
- Diode check
- Temperature °C/°F
- Capacitance
- Continuity
